# WHY VAN DAELE?

We are a family-owned company that builds for **YOUR** Street, not Wall Street. Unlike most others, we are not a publicly-owned conglomerate answering to stockholders. **YOU** are our stockholder. We answer to **YOU**. This is just one of the many reasons the Building Industry Association of Southern California has honored us as **BUILDER OF THE YEAR**.

We also offer you a high level of customization and participation in the construction process so we can help build you a home that works with the way you live, not the way we think you want to live.
